

## Tuerlinckx

### **What do we do?**

*Tuerlinckx Attorneys* is a dynamic law firm, specialised in tax and corporate law, located in Liège, Antwerp and Westerlo (Campine). Tax law is our core business: we advise and handle disputes, both on the administrative and the judicial level.

With Tuerlinckx Attorneys, you can expect nothing but a creative and energetic defence of your interests. Our goal is to provide you with the most correct solution for your specific situation. With a clear preference for simple answers over complex ones.

We are also specialist in matters where tax law only plays an indirect role. Whether it be for independent advice or in the event of a dispute, we offer comprehensive support for all your private estate planning, investment initiatives, professional partnerships, company restructuring projects, mergers, divisions or takeovers. We maintain close contacts with foreign law firms specialised in defending the interests of tax payers. So that we can defend and advise you in matters with an international dimension. These contacts also offer us greater perspective at the national level and enable us to anticipate proactively. We are prepared for new

### **Junior program**

With our Junior Program you get a taste for the practice of law tax in the months of July, August or September. The office offers students in their Master in law or Manama education taxation the chance to get acquainted with a specialist legal practice. The Junior assists in and executes a large amount of tasks. Less evident assignments such as client discussions or internal trainings offer prospective summer interns the chance to acquire clear insights in taxation sciences.

eventualities and have the resources to extract added value from unconventional quarters.

### **Who are we looking for?**

To reinforce its team, Tuerlinckx Attorneys is looking for passionate students and trainees possessing a Master of Laws and having a strong interest for tax and/or corporate law, distinguishing themselves from the others with their education and skills.

We feel strongly in communication skills, analytic intellect, sense of responsibility, independency and teamwork. To stimulate self-development we offer a dynamic work environment, in-house seminars and supplementary training and a distinctive growth setting.

The Junior assists in and executes a large amount of tasks. Less evident assignments such as client discussions or internal trainings offer prospective summer interns the chance to acquire clear insights in taxation sciences.

In addition, the firm offers its enthusiastic co-workers the opportunity to grow and a competitive remuneration. For next year, we are looking for new trainees and trainee lawyers.

### **What do we offer?**

*Tuerlinckx Attorneys* offers an open and dynamic environment, providing you with the opportunity to

flourish, (internal) seminars and complementary trainings.

You will work in a work environment focused on the quality of your work. Your new colleagues will take pleasure in and the necessary time to accompany and advise you.
